ABOUT JIO INSTITUTE

Jio Institute is a multidisciplinary higher education and research institution set up as a philanthropic initiative by Reliance Industries Limited and Reliance Foundation. The Institute is dedicated to the pursuit of excellence by bringing together global scholars and thought leaders and providing an enriching student experience through world-class education, relevant research platforms, and a culture of innovation.

Jio Institute's founders' transformational precedents across sectors and their unwavering faith in the potential of India's youth form the core of the Institute's ethos. Under the able guidance of the Institute's visionary leadership, we aim to nurture aspirations, structure ambitions, and encourage an entrepreneurial spirit.

OUR VISION

Our founders Smt. Nita Ambani, Founder Chairperson, Reliance Foundation and Shri Mukesh Ambani, Chairman & Managing Director, Reliance Industries Limited firmly believe in the power of the youth to transform India.

It is this belief that was instrumental in conceptualizing and setting up Jio Institute.

Jio Institute envisages to:

- Be an exemplary Indian academic institution with international repute.
- Build a vibrant ecosystem for research, innovation and entrepreneurship.
- Be India's test bed for frontier research and invention of future technologies.
- Prepare the next generation of leaders and entrepreneurs through holistic development.
- Significantly contribute to the advancement of the Indian society.
- Solve India's problems and solve them fast.
- Provide a lifelong learning experience.

OUR STORY

A steadfast focus on academic excellence, business relevance, and social significance is one of the foundational pillars of Jio Institute. From setting up of academic programmes to conceptualizing research initiatives, the Institute has consistently incorporated inputs from renowned academicians and industry doyens across domains. Jio Institute aims to aid India's development journey through research and innovation and achieve international repute. With faculty drawn from the best institutions across the world, it is envisioned to be global in nature while retaining its Indian character. Through new age programmes spanning across domains, it will empower students to think critically, develop leadership traits and become responsible global citizens.

ABOUT SPARK

Jio Institute is organizing its first HR Conclave - SPARK, which will be an annual event in the future. This conclave aims to be a curated and content-rich conference. This 1-day event will host three panel discussions covering an array of up and coming topics in the field of human resource development.

SPARK intends to bring together leading HR professionals & industry experts to exchange and share their experiences and insights on various aspects of people operations. This conclave will also provide networking opportunities for like minded people and interact with students who are the future of tomorrow.

Outcomes for attendees:

- To learn the various trends in the field of human resource management
- To gain insight into the methods that companies are utilizing to address current industry challenges
- To understand and develop a new skill set to adapt in the modern workplace
- To understand different perspectives from experts regarding expectations from the young workforce.
