Reimagining Leadership for School Transformation.

Jio Institute has collaborated with the Principals' Training Center (PTC) to bring to India their world-class training program for practicing and aspiring leaders of K-12 schools. The program promotes the acquisition of practical knowledge and skills required to successfully lead and transform their schools for maximum impact on student learning.

This flagship program of PTC is launched for the first time in India. Internationally it has been attended by over 8000 Indian educators.

Led by top class faculty with rich experience and expertise, PTC offers a wide range of modules, including Leadership & Team Dynamics, Curriculum Leadership, Assessment Leadership, Instructional Leadership & Evaluation, Technology Leadership and Creating an Effective School.

Upon accomplishing any four of the above mentioned modules, the participant will get a Graduation Certificate. Completion of Individual modules will get a module completion certificate. A PTC certification is a globally recognized leadership credential in the K-12 school landscape.

ABOUT JIO INSTITUTE

Jio Institute is a multi-disciplinary higher education Institute set up as a philanthropic initiative by the Reliance Group. The Institute is dedicated to the pursuit of excellence by bringing together global scholars and thought leaders by providing an enriching student experience through world-class education and a culture of research and innovation. The Institute also aims to create a strong research culture and encourage faculty and students to engage in cutting-edge research that has a real-world impact. Faculty teaching at Jio Institute comprise scholars and thought leaders who visit us from renowned universities and industry from various countries.

Currently Jio Institute is offering Post Graduate and Executive Education Programs in various areas. Over a period, Jio Institute envisages 10,000 students across multiple disciplines covering – Engineering & Computing, Digital Media & Journalism, Medical Sciences & Public Health, Management & Entrepreneurship, Arts & Sciences, Law, Governance & Public Policy, Architecture & Urban Planning.

In a world where change is indeed the only constant, the need for professional growth and upskilling is paramount. Our Executive Education initiative recognizes this need and offers carefully curated programmes that cater to current needs with an eye on the future. Our programmes provide an intensive and immersive experience to participants, and gives them the opportunity to learn from academicians and industry experts from around the world, network with executives across sectors and be part of a transformative experience.

Reliance Industries Limited is a Fortune 500 company and the largest private sector corporation in India.

Reliance Foundation, the philanthropic arm of Reliance Industries Limited, aims to play a catalytic role in addressing India's development challenges through innovative and sustainable solutions. Led by Founder and Chairperson Smt. Nita Ambani, Reliance Foundation is relentlessly working to facilitate transformative changes for the overall well-being and higher quality of life for all. Reliance Foundation is focused on addressing the nation's development challenges in rural transformation, education, health, sports for development, disaster management, women empowerment, urban renewal and arts, culture and heritage. It has touched the lives of more than 69.5 million people across India, across more than 54,200 villages and several urban locations.

ABOUT PTC

The Principals' Training Center is a well-respected organization in the field of international education that provides high-quality professional development opportunities for educators and school leaders around the world.

PTC offers a variety of training programs, workshops, and online courses that focus on leadership development, curriculum design, assessment, and other areas related to education. PTC programs are designed to be interactive, engaging, and relevant to the needs of educators and school leaders in K-12 schools. The model is based in the very best that is known about how adults learn and focuses on the practical skills school leaders need to positively impact learning in the the schools they lead.

PTC has a team of experienced trainers and facilitators who are experts in their respective fields and have extensive experience in leading K-12 schools around the world.

JIO INSTITUTE CAMPUS

Set in a serene environment overlooking the sea, Jio Institute's 52-acre digitally-enabled campus in Ulwe, Navi Mumbai, harmoniously combines nature and state-of-the-art infrastructure.

Key Facilities:

- Smart Classrooms
- Modern Laboratories
- Well-stocked Library
- Multipurpose Halls
- High-Performance Athletic Track and Gymnasium
- Student Activity & Recreation Center

The campus is fully residential with well-furnished and air-conditioned rooms. It has several open spaces including walkways, jogging tracks and lawns as well as an amphitheater.

The campus is well-connected to different parts of Mumbai through roads, rail and waterways. It is situated near Mumbai's upcoming international airport and Mumbai Trans-Harbour Link.
